Grippa top rail attachment recommended for semi-permanent or long term use. Adhesive top rail attachment recommended for short term use.

WARNING: Always attach graphic to base and top rail before removing the locking pin. After fitting, the graphic should be left for 24 hours before use to ensure the adhesive bonds sufficiently. Opening the base will invalidate the product warranty.

Graphic tension may be re-applied or added by turning the ratchet tensioner clockwise.

Included in Kit: Base, top rail, telescopic pole and carry bag

We are continually improving and modifying our product range and reserve the right to vary the specifications without prior notice. All dimensions and weights quoted are approximate and we accept no responsibility for variance. E&OE. See Graphic Templates for graphic bleed specifications.
